GROWTH MINDSET

I can learn. I can improve. I will keep trying!

INSTEAD OF THINKING...	TRY THINKING...
I can't do it.	I can't do it yet.
I'm not good at this.	What am I missing?
It's too hard.	This may take time and effort.
I give up.	I'll try a different strategy.
I made a mistake.	Mistakes help me learn.
I don't understand.	I can ask for help or keep learning.
It's good enough.	I can always improve.
